The Company lodged a prospectus for the Rights Offer and Shortfall Offer (**Prospectus**) with ASIC and ASX on 29 January 2019 and the Prospectus is available on ASX's website ([www.asx.com.au](http://www.asx.com.au)) and the Company's website (<https://neurotechinternational.com/>).

The purpose of this letter is to provide key information about the Rights Offer (and Shortfall Offer) to persons eligible to participate (**Eligible Shareholders**), being shareholders with a registered address in Australia, New Zealand and certain shareholders resident in the Principality of Liechtenstein, the Republic of Malta and Singapore, as at 5.00pm (WST) on Monday, 4 February 2019 (or such other date as may be determined by the directors of the Company, subject to the ASX Listing Rules) (**Record Date**) before the Prospectus is sent to Eligible Shareholders in accordance with ASX requirements.

Dear Shareholder,

## NEUROTECH INTERNATIONAL LIMITED – PRO-RATA RENOUNCEABLE RIGHTS ISSUE NOTICE TO INELIGIBLE SHAREHOLDERS

On 29 January 2019, Neurotech International Limited (ASX Code: NTI) (**Company**) announced its intention to undertake a **renounceable** pro-rata rights offer on the basis of 1 (one) fully paid ordinary Share in the Company for every 1 (one) Share held by Shareholders (**New Shares**) at an offer price of \$0.03 per New Share, together with 1 (one) free attaching option, exercisable at \$0.06 on or before 31 March 2021 (**New Option**), for every Share subscribed, to raise up to approximately \$3,288,627 (before costs) (**Rights Offer**). Any New Shares not applied for under the Rights Offer will form the shortfall, and will be offered to eligible shareholders and persons nominated by the lead manager to the Rights Offer, Azure Capital Securities Pty Ltd (**Lead Manager**), or as determined by the directors of the Company (**Directors**) under a separate offer (**Shortfall Offer**).

The Company lodged a prospectus for the Rights Offer and Shortfall Offer (**Prospectus**) with ASIC and ASX on 29 January 2019 and the Prospectus is available on ASX's website ([www.asx.com.au](http://www.asx.com.au)) and the Company's website (<https://neurotechinternational.com/>).

The purpose of this letter is to notify you of the Rights Offer, and explain why the Company does not consider that you are eligible to apply for New Shares under the Rights Offer. This letter is not an offer to issue New Shares to you, nor an invitation for you to apply for New Shares.

### Eligibility criteria

The Rights Offer is made to eligible shareholders only (**Eligible Shareholders**), being shareholders with a registered address in Australia, New Zealand and certain shareholders resident in the Principality of Liechtenstein, the Republic of Malta and Singapore, as at 5.00pm (WST) on Monday, 4 February 2019 (or such other date as may be determined by the directors of the Company, subject to the ASX Listing Rules) (**Record Date**).

Unfortunately, according to the Company's records, you do not satisfy the criteria for an Eligible Shareholder stated above. You will therefore not be able to participate in the Rights Offer and will not be sent a copy of the Prospectus.

The Company has determined (pursuant to ASX Listing Rule 7.7.1(a)) that it would be unreasonable to make the Rights Offer to shareholders in countries other than Australia, New Zealand and certain

shareholders resident in the Principality of Liechtenstein, the Republic of Malta and Singapore (**Ineligible Shareholders**), having regard to:

1. the small number of shareholders outside Australia and New Zealand excluding certain shareholders resident in the Principality of Liechtenstein, the Republic of Malta and Singapore;
2. the number and value of New Shares that would be offered to shareholders outside Australia and New Zealand excluding certain shareholders resident in the Principality of Liechtenstein, the Republic of Malta and Singapore; and
3. the costs of complying with the legal requirements and requirements of regulatory authorities in the overseas jurisdictions.

### **Appointment of nominee to sell Entitlements**

As the Rights Offer is renounceable, the Company has appointed a broker, Patersons Securities Limited AFSL No. 239 052 (ABN 69 008 896 311) (**Patersons**), as its nominee to arrange for the sale of the entitlements to subscribe for New Shares that would have been offered to Ineligible Shareholders, had the Ineligible Shareholders been entitled to participate in the Rights Offer (**Entitlements**).

As consideration for acting as nominee, Patersons will be entitled to receive a fee of \$5,000 (plus applicable GST) for facilitating the sale of Entitlements of Ineligible Shareholders. This fee will be deducted directly from the total amount received by Patersons from the sale of the Ineligible Shareholder Entitlements, with the balance (net of any other expenses) then being remitted directly to Ineligible Shareholders.

Patersons has the sole and absolute discretion to determine the timing and the price at which the Entitlements may be sold and the manner of any such sale. If Patersons reasonably determines that there is not a viable market for the Entitlements or a surplus over the expenses of sale cannot be obtained for the Entitlements, then the Entitlements will be allowed to lapse and they will form part of the Shortfall Offer. Neither the Company nor Patersons takes any responsibility for failure to sell any Entitlements or to sell them at a particular price.

If your Entitlement is able to be sold, the proceeds of that sale (net of expenses) will be sent to you as soon as practicable. If your Entitlement is not sold, you will receive no value for your Entitlement.

### **Action required**

You are not required to do anything in response to this letter.

Yours faithfully
