

Neurotech

31 July 2019

Quarterly report for the period ending 30 June 2019

Neurotech International Limited (ASX: NTI) ("Neurotech" or "the Company") is pleased to present its quarterly report for the period ending 30 June 2019.

OPERATIONAL UPDATE

In June, Neurotech launched a pilot version of Mente Clinic, a virtual clinic that enables clinicians to interact with Mente patients and remotely monitor their progress. Accessed via www.menteclinic.com, clients can make appointments via video conferencing, and use is monitored remotely. The program is designed to enable clinicians to extend their practice, assist clients in areas where clinic access is restricted, and monitor Mente clients' progress.

Neurotech also launched an Early Adopter Program in all geographic regions where the Mente device can be used, offering discounts on Mente's Starter Pack and subscription model. Neurotech is encouraging early adopters to provide ongoing feedback on usability. Parents can also join this program, allowing them to book consultations with a Mente specialist or order the Mente headband and therapy sessions in a starter pack.

The Mente iOS application is now available to the public on the App Store. Mente clients can now choose between the iOS or Android versions of the app. This was launched during the quarter, following its beta release to users in the March quarter.

Neurotech continues to assess its assets and strategy, including the most appropriate ways to fund the ongoing operations of the Company at both the project and parent levels, with Mente as part of this consideration, following several important board changes in April.

CORPORATE

BOARD & COMPANY SECRETARY APPOINTMENTS

As reported last quarter, in April, Neurotech announced several strategic appointments, with Mark Davies appointed Independent Non-Executive Chairman, Winton Willesee appointed Independent Non-Executive Director and Eryn Dale as Company Secretary. These appointments were made in line with the Company's revised commercial strategy as it reviews Neurotech's assets to maximise shareholder value.

All three have extensive experience in helping companies in the ASX small capitalisation sector,

Concurrent with these appointments, Peter O'Connor, Simon Trevisan and Dr Neale Fong retired as directors of the Company.

CHANGE OF ADDRESS

During the quarter, Neurotech relocated its registered office and principal place of business. The new address and contact details are:

Suite 5 CPC
145 Stirling Highway
Nedlands WA 6009
Phone: +61 8 9389 3130

Postal Address
PO Box 3144

About Neurotech

Neurotech International Limited is a medical device and solutions company incorporated in Australia and operating through its wholly-owned, Malta-based subsidiary AAT Research Limited. Neurotech's primary mission is to improve the lives of people with neurological conditions, with in home-use and clinical neurotechnology solutions that are both accessible and affordable. Through flagship device Mente and its associated platform, Neurotech is focused on facilitating the development and commercialisation of technological solutions for the screening and treatment of symptoms associated with conditions such as autism. Mente is the world's first home therapy that is clinically proven to increase engagement and improve relaxation in autistic children with elevated Delta band brain activity. Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
